

Equine Wellness Programs

It is well known that good preventative medicine can increase your horse's chances for a longer, healthier life. Get peace of mind that your horse's basic veterinary care is taken care of for an entire year with Deer Creek's Equine Wellness Programs.

Our five health plan options maximize your horse's health *and* your veterinary health care budget, with over 25% savings off of our regular prices. Options 1 and 2 includes up to three veterinary visits per year, and options 3, 4 and Geriatric with two visits.

Custom de-worming programs are also included. Please ask your veterinarian for details.

PRICING

Option 1: \$675 per year – for the traveling athlete.

Option 2: \$510 per year – for the seasonal traveling athlete.

Option 3: \$475 per year – designed for the traveling horse on a budget.

Option 4: \$440 per year – designed for the stay-at-home horse

Geriatric: \$660 per year – provides a basic level of care for low-risk horses that do not leave home but have a low level of exposure to other horses.

Prices effective 1/20/2022

CONDITIONS OF ENROLLMENT

- ❑ Payment in full is required at the time of enrollment and prior to the appointment date.
- ❑ The renewal date is each year on the anniversary date of the original enrollment.
- ❑ Clients with account balances must be paid in full prior to enrollment in the program.
- ❑ Farm calls are not included in the price of the program. Farm call fees are determined by location and number of clients to be seen. Farm call fees and any additional services provided at the time of the Wellness visit are due and payable on the date of the visit.
- ❑ Verbal and/or written credit card authorization is available if preferred or if the client is not present. Note that for the provision of additional services, written or verbal authorization is required by the client if they cannot be present when services are rendered.
- ❑ Boosters for the initial vaccine series are not included in the program & are charged separately and require a separate visit.
- ❑ If you do not utilize all the services included in your selected Option, there is no refund or substitution made on your unused opportunities.
- ❑ Prorated refunds will be made in the event of the sale or death of a horse.
- ❑ If an Option client does not remain in a "current" financial status, any remaining Option services (monies) may be utilized to bring the account current.
- ❑ Clients are responsible for setting up appointments for Wellness plan services. Deer Creek is not responsible for scheduling appointments.
- ❑ For scheduling reasons, Wellness appointments must be requested no less than two weeks in advance.
- ❑ To ensure adequate time to evaluate your horse, unscheduled horses will not be seen during a Wellness visit unless prior notice is given and scheduling permits.
- ❑ A separate appointment is required for dental work under the plan unless scheduling permits otherwise.
- ❑ Pfizer *PreventiCare*™ or Deer Creek Equine's deworming program can be added to all levels of care.
